Important medical information

Powerboat rides and charters are not suitable for people with some medical conditions or disabilities. Please check with us prior to booking if you're unsure if you or any member of your party may be affected by the impact or motion of the boat on the water. It is the responsibility of the person confirming a charter booking to ensure that all members of their charter / ride group are made aware of this, and we are notified accordingly. All members of the group hold an individual responsibility to draw our attention to any such condition, prior to booking and in all circumstances, to notify the skipper prior to departure of the vessel.

Disabilities

Wheel chair users or people with certain disabilities can be accommodated on certain limited availability vessels only. These normally require significant advance booking. We support power boating for people of all abilities and can offer disabled people access to specially adapted vessels where required. Please contact us if a member of your party has special requirements and we will attempt to accommodate them.

Alcohol, drugs or unusual behavior

If, in the opinion of the skipper, any passenger has consumed too much alcohol or under the influence of drugs causing impaired reaction or displaying irrational behaviour likely to compromise safety we reserve the right to refuse to board them. No subsequent costs or claims for alternative transport to the required destination will be accepted.

Personal effects and valuables

You are solely responsible for your personal belongings whilst travelling with us. Any valuables taken aboard our vessels or left in our sales kiosk, are done so at entirely at your own risk and the company accepts no responsibility for them whatsoever. Particular care should be taken of mobile phones, camera equipment and any valuables and steps to avoid them getting wet or lost overboard should be taken if you choose to take them aboard rather than left safely behind prior to departure.

Safety brief

It is mandatory that all passengers are given a full safety brief by the skipper, immediately prior to departure. All passengers are required to pay attention to the safety information given. Please make the skipper aware of any medical conditions that may affect you including any mental health issues. Details can be given privately by asking the skipper, or with a member of staff either at the time of booking or arrival with us. Please inform the skipper if any member(s) of the group have consumed excessive alcohol prior to any departure.

Injury

We will file an MAIB report for any significant injuries or accidents sustained whilst afloat and any minor injury or 'near-miss' will be recorded and filed. Please immediately inform the skipper of any injury sustained as soon as it happens in order that that we can adequately assess the situation, offer first aid where necessary or summon further medical assistance. Please inform your skipper if you experience any unusual discomfort which may be indicative of more significant issues.

If the charter needs to be curtailed we will refund pro rata as per our curtailment or cancellation conditions. Alternatives on a pro rata basis will be offered where the injury is the result of an accident. No refund will be due where the injury or condition is pre existing or caused by a member of the charter party through negligence or wilful act.

Unpaid invoices

No credit facilities or deferred payment arrangements are available to any customers unless previously agreed with and confirmed by a director of this company. Those terms (if agreed) are exclusive to that transaction only and will not be extended into any on-going arrangement.
